Dear Policyholder:

Enclosed is your renewal quotation based on the latest payroll classification information available to us. In addition, payrolls have been increased in accordance with our established inflationary guidelines.

Your renewal premium may require future adjustment as a result of changes in the Workers' Compensation insurance rates, surcharges, experience modification factors or other programs approved by your state.

IMPORTANT NOTICE

- All premiums billed under your expiring policy must be paid before your policy can be renewed. If any outstanding premiums have not been paid, please remit them immediately.
- If the payroll, classifications or other information displayed on the attached quotation are not what you anticipate during the coming year, please advise us immediately.
- Any request to change payrolls or other information should be submitted on your company letterhead with an explanation of the reasons for the change. Appropriate tax forms are required as supporting documentation for a payroll change request. The new premium deposit should be recalculated and payment received by the due date.
- In order to avoid a lapse in coverage, your renewal payment must be received by the expiration date shown on your bill. Depending on the plan requirements, if payment is not received by the expiration date, either the policy will be issued with a lapse in coverage or your premium check will be returned and no policy will be issued.
- In addition, this quotation may be affected by the following rating program approved for the Georgia Workers Compensation Insurance Plan:
LSRP (Loss Sensitive Rating Program) requires mandatory participation for qualifying insureds:
Employers with premium greater than \$250,000 cannot be afforded a guaranteed cost policy and will be subject to a retrospectively rated policy. Submission of your renewal deposit constitutes knowledge and acceptance of the Loss Sensitive Rating Plan to your policy.
- Requirements in Georgia provide that an advance notice of termination of coverage must be filed with the state Workers' Compensation insurance administration office. Therefore, if applicable, we have filed the termination notice with your state. If payment is received by the due date, we will rescind this notice.

- In accordance with the Georgia Workers' Compensation Assigned Risk Insurance Plan Chapter 120-2-38, all Georgia Assigned Risk policies will be subject to the Three Tier Rating Program. Your policy premium will be determined by using the appropriate rating plan group below. The regulation defines the following three rating groups:
 - "Group 1" means risks which have insufficient prior workers' compensation experience to be experience rated. Group 1 risks are subject to a Merit Rating Program.
 - "Group 2" means risks which are not Group 1 or Group 3 risks. The assigned risk manual rates shall apply to those risks assigned to Group 2.
 - "Group 3" means risks which have an experience rating modification greater than 1.0. The premium of Group 3 risks may be adjusted based on their loss experience upon approval of such rating program.
- Please be advised that Certificates of Insurance are term specific and will not be automatically carried over to your renewal term. If a Certificate of Insurance is required for the renewal term it must be requested.

PAYMENT OPTIONS:

The renewal deposit indicated with your quotation is based upon the payment plan that your prior policy was issued. Based upon the schedule below, if you qualify for a different payment basis and desire to change your option, please remit the appropriate deposit based upon the quoted estimated annual premium. The payment options in Georgia are:

<u>Estimated Annual Premium</u>	<u>Payment Basis</u>	<u>Minimum Deposit Percentage</u>	<u>Additional Payments During Year</u>
Less than \$5,000	Annual	100%	None
At least \$5,000	Semi-Annual	75%	One
At least \$10,000	Quarterly	50%	Three

If you have any questions, please contact your producer.

**NOTICE OF ELECTION TO ACCEPT AN INSURANCE DEDUCTIBLE FOR
GEORGIA WORKERS' COMPENSATION INDEMNITY AND MEDICAL
BENEFITS**

Georgia Policyholders:

Georgia law now permits an employer to buy Workers' Compensation Insurance with a deductible. The deductible is for indemnity and medical benefits and applies separately to each accident during the policy term, regardless of the number of employees who sustain injury in the accident. The deductible amount is subject to a minimum of \$100 and a maximum of \$2,500 for each accident, with intermediate increments shown in the table below.

To prevent putting you in an uninsured position, your policy has been issued at full rates with no deductible applied.

If you wish to have this deductible option apply to your policy, fill in the information requested at the bottom of this form. You should: (1) Retain your copy for your records; (2) Send a copy to your producer to keep him/her informed of your intention; and (3) Complete and return a copy to the carrier within sixty (60) days after the effective date of your policy. An endorsement will then be attached to your policy to reflect the change.

If you decide that you do not want the deductible to apply, you may disregard this form. Your policy will continue in force as issued.

For a complete explanation of how this program operates or the savings available by choosing this option, please contact your producer.

Terrorism Risk Insurance Act Disclosure

The federal Terrorism Risk Insurance Act of 2002 as amended ("TRIA") establishes a program under which the Federal Government may partially reimburse "Insured Losses" (as defined in TRIA) caused by "Acts Of Terrorism" (as defined in TRIA). "Act Of Terrorism" is defined in Section 102(1) of TRIA to mean any act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

The Federal Government's share of compensation for such Insured Losses is established by TRIA and is a percentage of the amount of such Insured Losses in excess of each Insurer's "Insurer Deductible" (as defined in TRIA), subject to the "Program Trigger" (as defined in TRIA). Through 2020, that percentage is established by TRIA as follows:

- 85% with respect to such Insured Losses occurring in calendar year 2015.
- 84% with respect to such Insured Losses occurring in calendar year 2016.
- 83% with respect to such Insured Losses occurring in calendar year 2017.
- 82% with respect to such Insured Losses occurring in calendar year 2018.
- 81% with respect to such Insured Losses occurring in calendar year 2019.
- 80% with respect to such Insured Losses occurring in calendar year 2020.

In no event, however, will the Federal Government be required to pay any portion of the amount of such Insured Losses occurring in a calendar year that in the aggregate exceeds \$100 billion, nor will any Insurer be required to pay any portion of such amount provided that such Insurer has met its Insurer Deductible. Therefore, if such Insured Losses occurring in a calendar year exceed \$100 billion in the aggregate, the amount of any payments by the Federal Government and any coverage provided by this policy for losses caused by Acts Of Terrorism may be reduced.

The charge for such Insured Losses for Workers' Compensation/Employers' Liability coverage is an additional premium, which is reflected in the premium schedule and does not include any charge for the portion of such Insured Losses covered by the Federal Government under TRIA.

Coverage	Included Charge For Insured Losses
Workers' Compensation/Employers' Liability	See Workers' Compensation/Employers' Liability Premium Schedule

Note – Terrorism premium charges are subject to change at any time based on state regulatory action.

WORKERS COMPENSATION AND EMPLOYERS LIABILITY INSURANCE POLICY

In return for the payment of the premium and subject to all terms of this policy, we agree with you as follows:

GENERAL SECTION

A. The Policy

This policy includes at its effective date the Information Page and all endorsements and schedules listed there. It is a contract of insurance between you (the employer named in Item 1 of the Information Page) and us (the insurer named on the Information Page). The only agreements relating to this insurance are stated in this policy. The terms of this policy may not be changed or waived except by endorsement issued by us to be part of this policy.

B. Who is Insured

You are insured if you are an employer named in Item 1 of the Information Page. If that employer is a partnership, and if you are one of its partners, you are insured, but only in your capacity as an employer of the partnership's employees.

C. Workers Compensation Law

Workers Compensation Law means the workers or workmen's compensation law and occupational disease law of each state or territory named in Item 3.A. of the Information Page. It includes any amendments to that law which are in effect during the policy period. It does not include any federal workers or workmen's compensation law, any federal occupational disease law or the provisions of any law that provide nonoccupational disability benefits.

D. State

State means any state of the United States of America, and the District of Columbia.

E. Locations

This policy covers all of your workplaces listed in Items 1 or 4 of the Information Page; and it covers all other workplaces in Item 3.A. states unless you have other insurance or are self-insured for such workplaces.

PART ONE

WORKERS COMPENSATION INSURANCE

A. How This Insurance Applies

This workers compensation insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. Bodily injury by accident must occur during the policy period.
2. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.

B. We Will Pay

We will pay promptly when due the benefits required of you by the workers compensation law.

C. We Will Defend

We have the right and duty to defend at our expense any claim, proceeding or suit against you for benefits payable by this insurance. We have the right to investigate and settle these claims, proceedings or suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance.

D. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding or suit we defend:

1. reasonable expenses incurred at our request, but not loss of earnings;
2. premiums for bonds to release attachments and for appeal bonds in bond amounts up to the amount payable under this insurance;
3. litigation costs taxed against you;
4. interest on a judgment as required by law until we offer the amount due under this insurance; and
5. expenses we incur.

WC 00 00 00 (C)
(Ed. 1-15)

E. Other Insurance

We will not pay more than our share of benefits and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that may apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance will be equal until the loss is paid.

F. Payments You Must Make

You are responsible for any payments in excess of the benefits regularly provided by the workers compensation law including those required because:

1. of your serious and willful misconduct;
2. you knowingly employ an employee in violation of law;
3. you fail to comply with a health or safety law or regulation; or
4. you discharge, coerce or otherwise discriminate against any employee in violation of the workers compensation law.

If we make any payments in excess of the benefits regularly provided by the workers compensation law on your behalf, you will reimburse us promptly.

G. Recovery From Others

We have your rights, and the rights of persons entitled to the benefits of this insurance, to recover our payments from anyone liable for the injury. You will do everything necessary to protect those rights for us and to help us enforce them.

H. Statutory Provisions

These statements apply where they are required by law.

1. As between an injured worker and us, we have notice of the injury when you have notice.
2. Your default or the bankruptcy or insolvency of you or your estate will not relieve us of our duties under this insurance after an injury occurs.
3. We are directly and primarily liable to any person entitled to the benefits payable by this insurance. Those persons may enforce our duties; so may an agency authorized by law. Enforcement may be against us or against you and us.

4. Jurisdiction over you is jurisdiction over us for purposes of the workers compensation law. We are bound by decisions against you under that law, subject to the provisions of this policy that are not in conflict with that law.
5. This insurance conforms to the parts of the workers compensation law that apply to:
 - a. benefits payable by this insurance;
 - b. special taxes, payments into security or other special funds, and assessments payable by us under that law.
6. Terms of this insurance that conflict with the workers compensation law are changed by this statement to conform to that law.

Nothing in these paragraphs relieves you of your duties under this policy.

PART TWO EMPLOYERS LIABILITY INSURANCE

A. How This Insurance Applies

This employers liability insurance applies to bodily injury by accident or bodily injury by disease. Bodily injury includes resulting death.

1. The bodily injury must arise out of and in the course of the injured employee's employment by you.
2. The employment must be necessary or incidental to your work in a state or territory listed in Item 3.A. of the Information Page.
3. Bodily injury by accident must occur during the policy period.
4. Bodily injury by disease must be caused or aggravated by the conditions of your employment. The employee's last day of last exposure to the conditions causing or aggravating such bodily injury by disease must occur during the policy period.
5. If you are sued, the original suit and any related legal actions for damages for bodily injury by accident or by disease must be brought in the United States of America, its territories or possessions, or Canada.

B. We Will Pay

We will pay all sums that you legally must pay as damages because of bodily injury to your employees, provided the bodily injury is covered by this Employers Liability Insurance.

WC 00 00 00 (C)
(Ed. 1-15)

The damages we will pay, where recovery is permitted by law, include damages:

1. For which you are liable to a third party by reason of a claim or suit against you by that third party to recover the damages claimed against such third party as a result of injury to your employee;
2. For care and loss of services; and
3. For consequential bodily injury to a spouse, child, parent, brother or sister of the injured employee; provided that these damages are the direct consequence of bodily injury that arises out of and in the course of the injured employee's employment by you; and
4. Because of bodily injury to your employee that arises out of and in the course of employment, claimed against you in a capacity other than as employer.

C. Exclusions

This insurance does not cover:

1. Liability assumed under a contract. This exclusion does not apply to a warranty that your work will be done in a workmanlike manner;
2. Punitive or exemplary damages because of bodily injury to an employee employed in violation of law;
3. Bodily injury to an employee while employed in violation of law with your actual knowledge or the actual knowledge of any of your executive officers;
4. Any obligation imposed by a workers compensation, occupational disease, unemployment compensation, or disability benefits law, or any similar law;
5. Bodily injury intentionally caused or aggravated by you;
6. Bodily injury occurring outside the United States of America, its territories or possessions, and Canada. This exclusion does not apply to bodily injury to a citizen or resident of the United States of America or Canada who is temporarily outside these countries;
7. Damages arising out of coercion, criticism, demotion, evaluation, reassignment, discipline, defamation, harassment, humiliation, discrimination against or termination of any

employee, or any personnel practices, policies, acts or omissions;

8. Bodily injury to any person in work subject to the Longshore and Harbor Workers' Compensation Act (33 U.S.C. Sections 901 et seq.), the Nonappropriated Fund Instrumentalities Act (5 U.S.C. Sections 8171 et seq.), the Outer Continental Shelf Lands Act (43 U.S.C. Sections 1331 et seq.), the Defense Base Act (42 U.S.C. Sections 1651–1654), the Federal Mine Safety and Health Act (30 U.S.C. Sections 801 et seq. and 901–944), any other federal workers or workmen's compensation law or other federal occupational disease law, or any amendments to these laws;
9. Bodily injury to any person in work subject to the Federal Employers' Liability Act (45 U.S.C. Sections 51 et seq.), any other federal laws obligating an employer to pay damages to an employee due to bodily injury arising out of or in the course of employment, or any amendments to those laws;
10. Bodily injury to a master or member of the crew of any vessel, and does not cover punitive damages related to your duty or obligation to provide transportation, wages, maintenance, and cure under any applicable maritime law;
11. Fines or penalties imposed for violation of federal or state law; and
12. Damages payable under the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. Sections 1801 et seq.) and under any other federal law awarding damages for violation of those laws or regulations issued thereunder, and any amendments to those laws.

D. We Will Defend

We have the right and duty to defend, at our expense, any claim, proceeding or suit against you for damages payable by this insurance. We have the right to investigate and settle these claims, proceedings and suits.

We have no duty to defend a claim, proceeding or suit that is not covered by this insurance. We have no duty to defend or continue defending after we have paid our applicable limit of liability under this insurance.

WC 00 00 00 (C)
(Ed. 1-15)

E. We Will Also Pay

We will also pay these costs, in addition to other amounts payable under this insurance, as part of any claim, proceeding, or suit we defend:

1. Reasonable expenses incurred at our request, but not loss of earnings;
2. Premiums for bonds to release attachments and for appeal bonds in bond amounts up to the limit of our liability under this insurance;
3. Litigation costs taxed against you;
4. Interest on a judgment as required by law until we offer the amount due under this insurance; and
5. Expenses we incur.

F. Other Insurance

We will not pay more than our share of damages and costs covered by this insurance and other insurance or self-insurance. Subject to any limits of liability that apply, all shares will be equal until the loss is paid. If any insurance or self-insurance is exhausted, the shares of all remaining insurance and self-insurance will be equal until the loss is paid.

G. Limits of Liability

Our liability to pay for damages is limited. Our limits of liability are shown in Item 3.B. of the Information Page. They apply as explained below.

1. **Bodily Injury by Accident.** The limit shown for "bodily injury by accident – each accident" is the most we will pay for all damages covered by this insurance because of bodily injury to one or more employees in any one accident.
A disease is not bodily injury by accident unless it results directly from bodily injury by accident.
2. **Bodily Injury by Disease.** The limit shown for "bodily injury by disease – policy limit" is the most we will pay for all damages covered by this insurance and arising out of bodily injury by disease, regardless of the number of employees who sustain bodily injury by disease. The limit shown for "bodily injury by disease – each employee" is the most we will pay for all damages because of bodily injury by disease to any one employee.

Bodily injury by disease does not include disease that results directly from a bodily injury by accident.

3. We will not pay any claims for damages after we have paid the applicable limit of our liability under this insurance.

H. Recovery From Others

We have your rights to recover our payment from anyone liable for an injury covered by this insurance. You will do everything necessary to protect those rights for us and to help us enforce them.

I. Actions Against Us

There will be no right of action against us under this insurance unless:

1. You have complied with all the terms of this policy; and
2. The amount you owe has been determined with our consent or by actual trial and final judgment.

This insurance does not give anyone the right to add us as a defendant in an action against you to determine your liability. The bankruptcy or insolvency of you or your estate will not relieve us of our obligations under this Part.

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. This other states insurance applies only if one or more states are shown in Item 3.C. of the Information Page.
2. If you begin work in any one of those states after the effective date of this policy and are not insured or are not self-insured for such work, all provisions of the policy will apply as though that state were listed in Item 3.A. of the Information Page.
3. We will reimburse you for the benefits required by the workers compensation law of that state if we are not permitted to pay the benefits directly to persons entitled to them.
4. If you have work on the effective date of this policy in any state not listed in Item 3.A. of the Information Page, coverage will not be afforded for that state unless we are notified within thirty days.

WC 00 00 00 (C)
(Ed. 1-15)

B. Notice

Tell us at once if you begin work in any state listed in Item 3.C. of the Information Page.

**PART FOUR
YOUR DUTIES IF INJURY OCCURS**

Tell us at once if injury occurs that may be covered by this policy. Your other duties are listed here.

1. Provide for immediate medical and other services required by the workers compensation law.
2. Give us or our agent the names and addresses of the injured persons and of witnesses, and other information we may need.
3. Promptly give us all notices, demands and legal papers related to the injury, claim, proceeding or suit.
4. Cooperate with us and assist us, as we may request, in the investigation, settlement or defense of any claim, proceeding or suit.
5. Do nothing after an injury occurs that would interfere with our right to recover from others.
6. Do not voluntarily make payments, assume obligations or incur expenses, except at your own cost.

**PART FIVE
PREMIUM**

A. Our Manuals

All premium for this policy will be determined by our manuals of rules, rates, rating plans and classifications. We may change our manuals and apply the changes to this policy if authorized by law or a governmental agency regulating this insurance.

B. Classifications

Item 4 of the Information Page shows the rate and premium basis for certain business or work classifications. These classifications were assigned based on an estimate of the exposures you would have during the policy period. If your actual exposures are not properly described by those classifications, we will assign proper classifications, rates and premium basis by endorsement to this policy.

C. Remuneration

Premium for each work classification is determined by multiplying a rate times a premium basis. Remuneration is the most common premium basis. This premium basis includes payroll and all other remuneration paid or payable during the policy period for the services of:

1. all your officers and employees engaged in work covered by this policy; and
2. all other persons engaged in work that could make us liable under Part One (Workers Compensation Insurance) of this policy. If you do not have payroll records for these persons, the contract price for their services and materials may be used as the premium basis. This paragraph 2 will not apply if you give us proof that the employers of these persons lawfully secured their workers compensation obligations.

D. Premium Payments

You will pay all premium when due. You will pay the premium even if part or all of a workers compensation law is not valid.

E. Final Premium

The premium shown on the Information Page, schedules, and endorsements is an estimate. The final premium will be determined after this policy ends by using the actual, not the estimated, premium basis and the proper classifications and rates that lawfully apply to the business and work covered by this policy. If the final premium is more than the premium you paid to us, you must pay us the balance. If it is less, we will refund the balance to you. The final premium will not be less than the highest minimum premium for the classifications covered by this policy.

If this policy is canceled, final premium will be determined in the following way unless our manuals provide otherwise:

1. If we cancel, final premium will be calculated pro rata based on the time this policy was in force. Final premium will not be less than the pro rata share of the minimum premium.
2. If you cancel, final premium will be more than pro rata; it will be based on the time this policy was in force, and increased by our short-rate cancellation table and procedure. Final premium will not be less than the minimum premium.

WC 00 00 00 (C)
(Ed. 1-15)**F. Records**

You will keep records of information needed to compute premium. You will provide us with copies of those records when we ask for them.

G. Audit

You will let us examine and audit all your records that relate to this policy. These records include ledgers, journals, registers, vouchers, contracts, tax reports, payroll and disbursement records, and programs for storing and retrieving data. We may conduct the audits during regular business hours during the policy period and within three years after the policy period ends. Information developed by audit will be used to determine final premium. Insurance rate service organizations have the same rights we have under this provision.

PART SIX CONDITIONS

A. Inspection

We have the right, but are not obliged to inspect your workplaces at any time. Our inspections are not safety inspections. They relate only to the insurability of the workplaces and the premiums to be charged. We may give you reports on the conditions we find. We may also recommend changes. While they may help reduce losses, we do not undertake to perform the duty of any person to provide for the health or safety of your employees or the public. We do not warrant that your workplaces are safe or healthful or that they comply with laws, regulations, codes or standards. Insurance rate service organizations have the same rights we have under this provision.

B. Long Term Policy

If the policy period is longer than one year and sixteen days, all provisions of this policy will apply as though a new policy were issued on each annual anniversary that this policy is in force.

C. Transfer of Your Rights and Duties

Your rights or duties under this policy may not be transferred without our written consent.

If you die and we receive notice within thirty days after your death, we will cover your legal representative as insured.

D. Cancellation

1. You may cancel this policy. You must mail or deliver advance written notice to us stating when the cancellation is to take effect.
2. We may cancel this policy. We must mail or deliver to you not less than ten days advance written notice stating when the cancellation is to take effect. Mailing that notice to you at your mailing address shown in Item 1 of the Information Page will be sufficient to prove notice.
3. The policy period will end on the day and hour stated in the cancellation notice.
4. Any of these provisions that conflict with a law that controls the cancellation of the insurance in this policy is changed by this statement to comply with the law.

E. Sole Representative

The insured first named in Item 1 of the Information Page will act on behalf of all insureds to change this policy, receive return premium, and give or receive notice of cancellation.

IN WITNESS WHEREOF, the company has caused this policy to be signed by its President and Secretary at Hartford, Connecticut and countersigned on the Information page by a duly authorized agent of the company.

“Part Three—Other States Insurance” of the policy is replaced by the following:

PART THREE OTHER STATES INSURANCE

A. How This Insurance Applies

1. We will pay promptly when due the benefits required of you by the workers compensation law of any state not listed in Item 3.A. of the Information Page if all of the following conditions are met:
 - a. The employee claiming benefits was either hired under a contract of employment made in a state listed in Item 3.A. of the Information Page or was, at the time of injury, principally employed in a state listed in Item 3.A. of the Information Page; and
 - b. The employee claiming benefits is not claiming benefits in a state where, at the time of injury, (i) you have other workers compensation insurance coverage, or (ii) you were, by virtue of the nature of your operations in that state, required by that state’s law to have obtained separate workers compensation insurance coverage, or (iii) you are an authorized self-insurer or participant in a self-insured group plan; and
 - c. The duration of the work being performed by the employee claiming benefits in the state for which that employee is claiming benefits is temporary.
2. If we are not permitted to pay the benefits directly to persons entitled to them and all of the above conditions are met, we will reimburse you for the benefits required to be paid.
3. This insurance does not apply to fines or penalties arising out of your failure to comply with the requirements of the workers compensation law.

IMPORTANT NOTICE!

If you hire any employees outside those states listed in Item 3.A. on the Information Page or begin operations in any such state, you should do whatever may be required under that state’s law, as this endorsement does not satisfy the requirements of that state’s workers compensation law.

Experience rating is mandatory for all eligible insureds. The experience rating modification factor, if any, applicable to this policy, may change if there is a change in your ownership or in that of one or more of the entities eligible to be combined with you for experience rating purposes. Change in ownership includes sales, purchases, other transfers, mergers, consolidations, dissolutions, formations of a new entity and other changes provided for in the applicable experience rating plan manual.

**ASSIGNED RISK LOSS SENSITIVE RATING PLAN NOTIFICATION
ENDORSEMENT**

A. LSRP Mandatory Assigned Risk Retrospective Rating Plan

This endorsement is to advise you that, during the term of this policy or upon renewal, you may become subject to the mandatory assigned risk Loss Sensitive Rating Plan (LSRP), which is a retrospective rating plan that may adjust the cost of your workers compensation and employers liability insurance policy. This endorsement must be attached to all assigned risk policies, including policies for professional employer organization (PEO) and temporary arrangements, regardless of LSRP standard premium size in states that have approved the LSRP. In the event that you meet or exceed the eligibility requirements of LSRP, an LSRP contingent deposit equal to 20% of LSRP standard premium is required.

B. Eligibility

1. Your insurance is written under a Workers Compensation Insurance Plan (WCIP) in a state that has approved LSRP.
2.
 - a. LSRP will apply to an individual assigned risk policy if the standard premium meets or exceeds the amount noted in the Schedule, in accordance with NCCI's **Basic Manual**.
 - b. It may not always be possible for a single carrier to provide coverage for all requested states; additional policies issued by more than one carrier may be necessary.
 - c. WCIP policies issued in non-LSRP-approved jurisdictions are not subject to LSRP and are not combinable with WCIP policies in LSRP-approved jurisdictions for eligibility purposes.
 - d. LSRP eligibility may be impacted by ownership or combinability status in accordance with NCCI's **Experience Rating Plan Manual**.
3. LSRP standard premium is defined in accordance with NCCI's **Basic Manual**.

C. Deposit/Initial Premium and LSRP Contingency Deposit

1. Deposit or initial premium is paid on all new and renewal WCIP policies, including LSRP policies, in accordance with NCCI's **Basic Manual**. It is paid to us in addition to the LSRP contingency deposit, which secures all new and renewal LSRP policies as detailed in the LSRP rules.
2. The LSRP contingency deposit paid to us serves as collateral for premium that may be due to us as a result of losses incurred during the policy term.
3. At policy inception, the LSRP contingency deposit is calculated by multiplying the LSRP standard premium by 20%. If WCIP policies are combined for LSRP purposes, the LSRP contingency deposit is calculated by multiplying the combined LSRP standard premium for all policies by 20%.

D. Impact of Changes in LSRP Standard Premium

1. For all policies except for professional employer organizations (PEOs) and temporary arrangements, LSRP may be applied to a policy, or an LSRP policy may be converted to a guaranteed cost policy:

- a. If the LSRP standard premium decreases during the first 120 days, and falls below the LSRP eligibility threshold, your policy will be converted to a guaranteed cost policy, retroactive to policy inception, and your LSRP contingency deposit will be returned.
 - b. If the LSRP standard premium increases during the first 120 days, and meets the LSRP eligibility threshold, LSRP will be applied retroactively to policy inception and the 20% LSRP contingency deposit must be paid to us within 30 days of us issuing notice to you of the application of LSRP.
 - c. If the LSRP standard premium decreases after the first 120 days and falls below the LSRP eligibility threshold, the LSRP continues to be applied to your policy(ies).
 - d. If the LSRP standard premium increases after the first 120 days, and meets the LSRP eligibility threshold, your policy(ies) will remain a guaranteed cost policy(ies) and the LSRP is applied at renewal, subject to meeting the eligibility requirements on the renewal policy(ies).
2. For all PEO and temporary arrangement WCIP policies, if the LSRP standard premium meets or exceeds the eligibility threshold **at any time**, LSRP is applied retroactively to policy inception. The 20% LSRP contingency deposit must be paid to us within 30 days of us issuing notice to you of the application of LSRP.

E. Evasion of LSRP

1. If you take actions for the purpose of avoiding the application of LSRP, or for otherwise legitimate business reasons that nonetheless result in the improper calculation and/or application of LSRP, regardless of intent, any action that results in the miscalculation and/or misapplication of LSRP determined in accordance with the LSRP rules is prohibited. These actions include, but are not limited to:
 - Misrepresentation and/or miscalculation of payroll at application, audit, or renewal
 - Failure to report changes in ownership or ownership information according to the WCIP and NCCI's *Experience Rating Plan Manual*
 - Violation of any of the terms and conditions under the policy for which this insurance was issued
 - Failure to allow us and/or the Plan Administrator and/or rating organization reasonable access to your facilities or files and records for audit or inspection
 - Failure to disclose to us and/or the Plan Administrator and/or rating organization the full nature and scope of your exposure or business operations
2. In such circumstances, we and/or the Plan Administrator and/or rating organization may obtain any information that indicates evasion or improper calculation or application of LSRP due to actions including, but not limited to, those listed above. We and/or the Plan Administrator and/or rating organization will act to ensure the proper calculation and application of LSRP to inception of all current and preceding WCIP policies impacted by these actions.

ATTENTION: GEORGIA CONTRACTORS
YOU MAY BE LIABLE FOR WORKERS COMPENSATION COVERAGE FOR YOUR CONTRACTORS

Did you know that if you have Workers' Compensation Insurance in Georgia and you use contractors in your business you may be liable for uninsured contractors? Without valid Workers' Compensation certificates of insurance for your contractors you may be charged an additional premium.

Your contractors may provide you with a certificate of insurance as evidence of Workers' Compensation coverage. The certificate of insurance lists the Workers' Compensation carrier, policy number and policy term. The contractor working for you is shown as the "Insured", and your company as "Certificate Holder". However, a certificate of insurance does not guarantee that coverage is valid and in force when the contractor is working for you.

Why do you need to know if a Certificate of Insurance is valid?

- You need to know this because if one of your contractor's policies cancels you may be charged an additional premium during the period the contractor was uninsured.
- As the primary contractor you may not always be notified of a contractor's policy cancellation, which would then make you liable for providing Workers Compensation insurance for these uninsured contractors and premiums will be assessed to you.
- Just because you are a certificate holder does not guarantee that workers compensation coverage is valid for the contractor or that you will be notified of cancellation.

The Georgia State Board of Workers' Compensation website has a link to verify Workers' Compensation coverage.

Please take a few minutes to review the following tips and procedures to help you to verify if all your contractors have Workers' Compensation coverage.

***Go to:** <http://sbwc.georgia.gov/portal/site/SBWC/>

- Under the heading "**How Do I**", click on: "**verify an employer's workers' compensation insurance coverage?**"
- Scroll to the bottom of the page click on: "**Click here to conduct an Employer Insurance Coverage Search**"

If you find coverage was cancelled or not in effect, please follow up with your contractor immediately as you may be liable for the uninsured exposure.

Remember, you as the primary contractor are liable for providing workers compensation insurance for uninsured subcontractors.

-----Important Reminder to Producers Issuing Certificates of Insurance -----

As stated on the NCCI Binder letter and outlined in the NCCI Assigned Risk Supplement to the Basic Manual, producers are authorized to issue certificates of workers compensation insurance when all of the following conditions exist:

- The certificate is issued only on the standard ACORD form
- The certificate is issued only for operations listed in 3.A. of the Information Page
- The policy terms are unchanged
- The certificate holder is not extended any greater rights than the insured
- The assigned carrier is provided with a copy of each certificate issued

Website address is not maintained by the insurance carrier and is subject to change. For additional help with verifying workers compensation coverage in Georgia call the Georgia Verification Unit at 800-533-0682.

ATENCIÓN: CONTRATISTAS EN GEORGIA USTED PUEDE SER RESPONSABLE POR EL SEGURO DE TRABAJO DE SUS CONTRATISTAS

Sabia usted que si tiene un Seguro de Compensación de Trabajadores (Worker's Compensation Insurance) en el Estado de Georgia y utiliza contratistas en su empresa usted puede ser responsable de los contratistas que no tengan seguro? Si usted no tiene un Certificado de Seguro de Compensación de Trabajadores válido para sus contratistas es posible que usted sea responsable de pagar una prima adicional en su póliza.

Los contratistas pueden proporcionarle un certificado de seguro como evidencia de que tienen Seguro de Compensación de Trabajadores (Worker's Compensation Insurance). El certificado de seguro le proveera el nombre de la compañía de seguro de trabajadores (Insurance Carrier), el número de póliza (policy number) y el período de tiempo (policy period) por el cual el empleador estuvo asegurado. El contratista que trabaje para usted se muestra como el "Asegurado" (Insured) y su negocio como "Titular del Certificado" (Certificate Holder). Sin embargo tenga presente que un certificado de seguro **NO** le garantiza que la cobertura es válida y activa cuando un contratista está trabajando para usted.

¿Por qué necesita usted saber si un certificado de seguro es válido?

- Si una de las pólizas de sus contratistas se cancela una prima adicional puede ser cobrada por el período de tiempo que el contratista no fue asegurado y que trabajo para usted.
- Es posible que usted **NO** siempre sea notificado de la cancelación de la póliza de uno de sus contratista(s) por lo cual usted sería el responsable de proporcionar seguro de compensación laboral para estos contratistas no asegurados y además, usted puede ser responsable de pagar prima adicional en su póliza.
- Sólo porque usted es el titular de un certificado no garantizan que la cobertura de compensación de los trabajadores es válida para el contratista o que recibirá una notificación de cancelación.

El Consejo de Trabajadores de el Estado de Georgia tiene una página de internet dedicada a los empleadores donde se puede acceder y verificar la cobertura de seguros de contratistas. Tómese unos minutos para revisar los siguientes consejos y procedimientos que le ayudarán a verificar si todos los contratistas que trabajan para usted tienen cobertura de compensación de trabajadores.
